

2017 NWT Status of Women Council
Campaign School
Saturday January 28th & January 29th 2017
Ptarmigan Inn Hay River, NT

Information and Registration Form

Why do we need a Campaign School for Women?

Major decisions concerning life in the NWT are made each session the NWT Legislative Assembly sits, but women are not an equal part of the decision-making process. Women's voices, to express their perspectives and priorities, are grossly under-represented. More than ever, it is imperative efforts be made to support more women to take leadership roles and to provide them with knowledge, skills and a supportive network to help them be successful.

Who should attend?

This Campaign School proposes to support and encourage NWT women interested in running for/or in future elections. It plans to do so by providing real supports to prospective candidates in the form of workshop training for both themselves and potential members of their campaign teams, complemented by relevant, up-to-date resource materials participants can take home.
