

**Coalition against Family Violence
C/o Status of Women Council of the NWT**

P.O. Box 1320, Yellowknife, NWT X1A

August 2016

Dear Friends,

The Coalition Against Family Violence has produced the enclosed resource kit for Family Violence Awareness Week 2016. This year, Family Violence Awareness Week in the NWT will take place from September 12th to September 18th.

The theme this year is healthy relationships and consent. You cannot have a healthy relationship without consent and respect.

This year, we have enclosed a small USB drive with videos and important research from the Rural and Northern Community Response to Intimate Partner Violence.

You will also notice a theme around tea and consent that originated from a blog done by rockstardinosourpirateprincess. There is a poster, video and one of our promo items is a reusable tea bag.

Thank you for your support & good luck with your activities and events during Family Violence Awareness Week. If you would like more of any of these resources or any resources from previous years please contact us at council@statusofwomen.nt.ca.

Sincerely,

Lorraine Phaneuf
Chair, Coalition against Family Violence
